

“We chose ECA for our desire for Christ centered education, small classes, and to be involved and informed in what our kids are learning everyday. We have grown to love the ECA teachers and staff and truly believe their love of Christ shines through in how they love and support our kids. My kids desire to go to school and love of learning is a true testament to how ECA teaches and encourages fun while learning. I believe choosing a school is one of the most important and difficult decisions that we make as parents and are so grateful we chose ECA. We love our ECA family!”
